

Isaac C. Griswold Library Long Range Plan Meeting
July 13, 2021 at 6:33PM

PRESENT: Patti Abbott, Marsha Ross, Ann Keys, Annette Parrott, Stephanie LaChapelle, Karen Gordon and Kathi Ripley

The results of the 35 surveys received were reviewed. The surveys showed that people were interested in a wide variety of activities that they would like to see at the Library. It was suggested to hand out a short survey after each activity to evaluate the effectiveness of the activities and to better meet the needs of the patrons and the long range goals.

The committee members will review other Libraries' Long Range Plans to make suggestions at the next meeting as to what they would like in our Long Range Plan.

It was suggested to have an Open House at the Library to showcase the new improvements and meet the new Library Director once a Library Director is hired.

A hiring committee was established to interview the candidate for the Library Director position. The hiring committee is Marsha Ross, Patti Abbott, Stephanie LaChapelle, Annette Parrott and Karen Gordon.

The meeting was adjourned at 7:21PM.

The next Long Range Plan Committee meeting will be held on August 10, 2021 at 6:30PM.
