Highlights

The Whitehall Free library Hosted an Open House in August of 2022 to show the community the exciting renovations that took place during the 2020 lock downs.

We continue to take part in the Farm 2 Library program which distributes locally grown fresh produce to our community, as well as Movie Night, and our newest program "Sewing and Crafts with Louise".

Beginning September 1, 2023 local artist Serena Kovalosky will hold a two month exhibit "A Silk Road Runs Through It" here at the library. The exhibit will focus on the historic connections between the Chinese silk trade and silk mills and agricultural discoveries here in Whitehall.
