## Highlights

The library had an exhibit of the work of artist Serena Kovalosky from her "The White Mulberry Project: A Silk Road Runs Through It" collection from September to November. Patrons had the opportunity to view Ms. Kovalosky's artistry up close, and learn about the ties between the Chinese silk trade and local history. Patrons claimed to have enjoyed the experience!

The Farm 2 Library program continues to provide fresh, locally grown produce and staples to the community.

Movie Night, and the Summer Reading Program continue to be popular programs here at the library as well.
